

Namibia

Residence by Investment Program

Namibia, a country in southwest Africa, is widely acknowledged for its exceptionally stable political and economic climate. It stands out as a premier tourist destination on the African continent, boasting abundant wildlife and some of the world's tallest sand dunes. The Namibian government actively facilitates opportunities for global investors who aim to establish a presence and thrive within Africa. This support includes attractive tax incentives, financing options, and a comprehensive one-stop bureau service tailored to international companies. For those seeking work permits and residence rights in Namibia, investors have the option to acquire real estate through a company within the contemporary and sophisticated President's Links Estate located in Walvis Bay, often referred to as the "Bay of Whales"
